Greetings in the Mercury-day of Balance ... the day of the Silver Ray of Lord Maitreya ... the day of 'So Above, So Below'.

Lord Maireya was the 'God' ... related to the Garden of Eden ... he was the 'God' that expulses Man from the Garden ...

Lord Maitreya is the Lord of the Divine Mathematics and the Divine Logic ... He originally was One Soul, then divided and become Maitreya and Lord Jesus ...

### Lord Maitreya and Its Main Symbol

Now ... Why I (John, Giovanni) speaks about Punctuation and Lord Maitreya? ...

Lord Maitreya was Krisna (look how the Hindu name is close to Christ) ...

whom dictate "The Bhagavad Gita" to Arjuna.

Now ...The Bhagavad Gita which is a book dated about 5,000 years ago is punctuated ... We can find many editions on the Web, while the first recent translation from Hindu to English was performed by Madam Annie Besant.

We can read ...

**The knower of Spirit, abiding in the Supreme Being, with unswerving discrimination, free from delusion, is thus neither jubilant at pleasant experiences nor downcast by unpleasant experiences.**

**Unattracted to the sensory world, the yogi experiences the ever new joy inherent in the Self. Engaged in divine union of the soul with Spirit, he attains bliss indestructible. O Son of Kunti (Arjuna)! because sense pleasures spring from outward contacts, and have beginning and end (are ephemeral), they are begetters only of misery. No sage seeks happiness from them.**

**Only that yogi who possesses the inner Bliss, who rests on the inner Foundation, who is one with the inner Light, becomes one with Spirit (after attaining freedom from karma connected with the physical, astral, and ideational bodies). He attains complete liberation in Spirit (even while living in the body). -- 5: 20-24.**

This numbered Quotation 5:20-25 ... meaning Chapter 5 ... paragraph 20-25 ... means quotation ... because is a small call/quote of the Original Document ... Punctuated.

There are also a Story ... in Buddhism ... when Asanga ... after many years of Meditation in a Cave and many consecutive intents ... meet Lord Maitreya ... and then he moves to Maitreya Heaven ... when Lord Maitreya give to Asanga the Five Books that found the Mahayana.
